# Terms & Conditions

1. Programme Safe consists of:
  - Theoretical training
  - Practical training
  - Results announcement
2. The number of participants per training seminar must be at least four. The maximum number of participants is ten (one instructor per four participants).
3. The theoretical and practical training sessions will be scheduled based on mutual agreement between the Driving Academy and the client.
4. In case the training seminars take place outside Athens and Thessaloniki, instructors are entitled to reimbursement for transportation, accommodation and meal expenses, upon submission of the relevant tax documentation. In any case, the total amount for accommodation and meals per instructor may not exceed two hundred euros (200€) per day.
5. If any participant cancels or postpones their participation in the training seminar less than five (5) calendar days before the scheduled date - and this is not due to force majeure (excluding emergencies) and not due to instructor's fault - the instructor is entitled to evaluate and charge a reasonable participation fee.
6. The practical training must be conducted in accordance with the rules set by the Driving Academy. Participants are required to comply with all the instructions given by the instructors.
7. All participants must hold a valid and legal driving license.
8. The vehicles used by the participants must have all necessary documentation for legal circulation, especially official vehicle registration.
